

Model

```
graph BT; Room[scheduler.models.Room] --> Model[Model]
```

A diagram illustrating a relationship between two classes. At the top is a rectangular box labeled "Model". Below it is another rectangular box labeled "scheduler.models.Room". A vertical arrow points from the top of the "scheduler.models.Room" box up to the bottom of the "Model" box, indicating that "scheduler.models.Room" inherits from or is a specialization of "Model".

scheduler.models.Room
